ATTENDEES

NOTES

- Meeting called to order at 9:00am
- Holcim donated material for Open Space for track A (for a map where this is located, please see our website). They are donating \$17,000 worth of material. We will only pay for hauling the rock here and making the trail. This is a HUGE donation for us.
- We have hired Yard Crafters for weed control. Last year's cost with All Purpose was \$3,987. The quote from Yard Crafters is \$2,630. This is a HUGE savings for us.
- If you are still having issues with USPS, you as the homeowner will need to speak with them directly and file a complaint online.
- Meeting was adjourned at 9:15am.
